

Record of Activities: Elected and Appointed Officials

Office of the New York State Comptroller
Thomas P. DiNapoli

What you will learn today

- The requirements of Regulation 315.4
- How to create a Record of Activities
- How to calculate a Record of Activities
- How to determine if an official is a timekeeper

Regulation 315.4

Effective August 12, 2009 and amended August 19, 2015

Requirements:

- Officials are required to keep a 3 month Record of Activities (ROA)
- Individual ROA results are required
- ROA's must be kept on file for 30 years
- Failure to comply with Regulation 315.4 will result in the suspension of service crediting and membership benefits for the officials

What is a Record of Activities?

- An ROA is a 3 month log of the duties performed and hours worked
- The 3 month ROA is used to determine the service credit that will be reported to the Retirement System
- An ROA is good for up to 8 years provided that the officials' duties and hours have not substantially changed
- A Recertification of the Record of Activities (RS2419) must be signed with each new term of office
- When an official recertifies to the previous ROA they should be listed on the Resolution with the same ROA result that was previously listed
- An official must create a new ROA any time his or her hours or duties have changed
- The ROA result is the average days worked per month that will be reported to the Retirement System

Update Total 24

To ensure three full months of active working days are reflected on the ROA, extend the period of the ROA by the amount of time used for vacations, illness, holidays or other reasons not worked during the three-month period.

Once you have completed recording activities for a three-month period, print this worksheet and sign and date below.

With my signature, I attest to the accuracy of the record provided above.

Appropriate Time

- Answering constituent phone calls
- Attending municipality sponsored events
- Discussing issues with constituents while out of the office
- Attending municipality's board/committee meetings
- Preparing for municipality meetings
- Community activities in partnership with the municipality

The Governing Board must review each entry listed on the ROA to determine if the entries are appropriate. The Board must exclude any duties that are not job related from the calculation.

Recertification of the Record of Activities

RS 2419
Rev. 02/18

I, _____, certify that I completed a 3-month record of activities for the term that began _____ for my position as _____. I attest that the record of activities maintained for the above named term is still representative of my hours worked and that my responsibilities have not substantially or materially changed. My current term begins on _____ and ends on _____.

Signature of Member _____

Date _____

Employer Location Code:

NOTE: A record of activities and any certification based upon such record shall not be valid for more than eight years from the date of the taking of office for which the record of activities was initially maintained.

Please keep this form on file in your records and submit a copy to NYSLSRS only upon request.

Failure to Submit an ROA

- The official must be listed on a Resolution and be checked as “Not Submitted”
- Pension Integrity will send correspondence by mail requesting an ROA
- A certified letter will be sent if the ROA is not received by the due date
- If compliance is not met the officials’ salary and service credit will be suspended for that employer
- The employer must continue reporting the official

Calculate the ROA result:

Total Hours Recorded on the [ROA](#):

100

Number of Months used to Calculate the ROA:

3

Note: must be a minimum of three months.

Hours in [Standard Work Day](#):

6

 Calculate

ROA Result — Average Days Worked per Month:

5.56

Calculating a ROA

Total hours worked in 3 month ROA = 100.00

$100.00 \text{ total hours} \div 3 \text{ months} = 33.3333$

$33.333 \text{ average hours} \div 6 \text{ SWD} = 5.5555$

Round up to get an ROA result of 5.56

*Always round-up to the nearest 0.00, even if you would round down using normal rounding rules

Quiz Time!

- The ROA should be kept for 1 month.
 - False
- The ROA must be reviewed and approved by the Governing Board.
 - True
- There is no penalty if an official fails to submit ROA.
 - False
- Recertification of ROA should be kept with the employer.
 - True

What is a Timekeeper?

- Officials who use an employer's timekeeping system that tracks hours worked and/or keeps track of accruals (i.e. vacation or sick leave)
- Officials who are paid hourly
- As of August 2015, timekeepers are no longer required to be listed on a Resolution

Acceptable Timekeeping System

The timekeeping system should include a signature and should attest that full hours were worked except for time charged to accruals. The system should also include the signature of the official's supervisor, when applicable, to certify the information is correct.

Examples of a timekeeping system are:

- Hard copy (paper) time sheets
- Electronic time sheets
- Punch cards

Who is responsible for these tasks?

Every municipality is different. Some places share tasks while others have specific positions that deal with each task.

Typically:

- The Town Clerk prepares the Resolution
- The Board reviews the ROA's and the Resolution prior to passing
- The Bookkeeper receives the Resolution and reports days worked based on ROA results

ROA Lifecycle

- Official records their ROA and submits to the Municipal Clerk
- Municipal Clerk reviews and calculates the ROA
- ROA is presented to the board for approval
- ROA is retained by the municipality for 30 years.
