Unclaimed Property

Property subject to the reporting requirements of APL §1318 and SSL §111-h includes funds collected by a Support Collection Unit (SCU) for:

- · Child support; or
- Combined child and spousal support.

Any money paid into an SCU which has remained undisbursed for two years is deemed abandoned and reportable to the Comptroller's Office. Accordingly, it is the date the monies were due to be disbursed which commences the two-year dormancy period. Additional deposits to the account holding the funds does not extend the dormancy period.

However, where an SCU determines that the person entitled to such funds is deceased and can't locate the estate for such person, or the estate doesn't claim the funds, the funds may be reported directly to the Comptroller's Office without waiting two years. Where the remitter of the funds has not provided information to permit the SCU to determine the identity of the entitled party after diligent efforts, the funds shall be reported to the Comptroller's Office.

Statutory Considerations in Addition to APL Section 1318 and SSL Section 111-h

Due Diligence

APL Section 1422 – Funds With Identifying Information

The APL requires that, at least 90 days prior to your final report, a notice be sent by first-class mail to each person whose name is expected to appear on the report. In addition, at least 60 days prior to your final report, a notice must be sent by certified mail, return receipt requested, to each person whose name is expected to appear on the report whose unclaimed funds is valued in excess of \$1,000 unless a claim has been initiated since the first-class mailing was sent, or the first-class mailing was returned as undeliverable. Certified mailing requirements do not apply to residents of foreign countries.

SSL Section 111-h –Funds Without Identifying Information

The SSL provides that, when unclaimed funds do not have sufficient identifying information to associate the funds with an existing or previously existing child support account and the information cannot be determined after diligent efforts, SCUs shall turn the funds over to the Comptroller's Office. Additionally, when an owner is known to be deceased and the estate can't be located, or the estate does not claim the funds, the funds may be reported without waiting two years.

Electronic Contact

2 NYCRR § 125.1

Certain types of electronic contact can be used to satisfy the written communication requirements in the APL to prevent the property from being deemed abandoned. This includes email communication from the entitled owner of the property that matches the registered email address on record, or a verifiable login using a website or mobile application made available by the holder to satisfy the written communication requirements in the APL which prevent the property from being deemed abandoned.

Support Collection Units Administrative Directive

SCUs can also find guidance on the transfer of unclaimed funds to the Comptroller's Office in Administrative Directive 21-ADM-08. SCUs must contact their Division of Child Support Services County Representative with questions about these funds. Questions about completing the unclaimed funds report may also be directed to NYSRPU@osc.ny.gov.

Important Issues

Child Support Account Number

Enter the Child Support Account Number (i.e. New York Case Identifier) or check number in the Account Number or Property ID field.

Dormancy Date

Start the dormancy period on the date the property should have been disbursed and include the date in the Dormancy Date field on the report. Note any other pertinent additional information, such as the date the funds were received, in the Security Description field on the report.

Mailing Requirements

First Class and Certified Mailings

Section 1422 of the APL requires that all organizations do the following:

- At least 90 days prior to their final report/remittance date, send a notice by first-class mail to each owner whose name is expected to appear on that report unless:
 - The owner address is unknown,
 - The holder can demonstrate that the address it maintains for the owner is not the owner's current address, or
 - Note if you use an address validation service and find a new address for the owner, you
 may send the mailing to the new address, but you should not change the original address
 on your report or books and records.
 - The items to be reported are valued at \$20 or less and are reported in the aggregate, in which case the owner's name will not appear on the report, therefore mailing a notice is not required.
 - Truly unknown when the unit wants to use aggregate reporting, obtain OTDA
 approval prior to reporting.

And

- At least 60 days prior to their final report/remittance date, send a notice by certified mail, return receipt requested, to each owner whose name is expected to appear on that report with abandoned property valued in excess of \$1,000 unless:
 - Owner contact has been established,
 - The first-class mailing was returned as undeliverable, or
 - The last known address is outside of the United States.

Foreign Addresses

Exercise due caution in attempting to contact entitled owners who reside in politically sensitive countries as defined by the U.S. Department of Treasury's Office of Foreign Assets Control. Certified mailing requirements do not apply to residents of foreign countries. Address any questions pertaining to this subject to our Director of Audits.

Multiple Items

Where feasible, if you are reporting more than one item for the same owner, one letter should address all the items you are reporting.

Multiple Owners

For cases in which multiple owners of an item have different addresses, you must send a letter to each owner.

Remittance

Submit your remittance at the time you file a report. The remittance should be equal to the sum of the values of the accounts being reported to the Office of the State Comptroller. Pay your remittance by electronic transfer or check.

Electronic Funds Transfer

Electronic funds transfer is available to make payment of the amount due for your report of abandoned property. Find instructions including the account and routing number information in the <u>Electronic Funds Transfer Instructions</u>.

Include the letters 'OUF' and the Date/Time stamp in the memo and advice areas of your check if you sent your report account details using one of our electronic reporting methods. This will help us apply your funds correctly.

In accordance with OUF's internal control procedures, send all checks to the above address. Do not send any checks to our New York City office.
